

SIM2REAL 2026 — PRIVACY POLICY

Organized by RoboTech NITK as part of ENGINEER'26, NITK Surathkal

Last Updated: 07 October 2026

RoboTech NITK ("RoboTech", "we", "us", or "our") respects the privacy of participants registering for **Sim2Real 2026**. This Privacy Policy explains how we collect, use, store, and share information provided through the official Sim2Real registration website.

By registering for Sim2Real 2026, you acknowledge that you have read and understood this Privacy Policy.

1. Information We Collect

During registration and event participation, we may collect information including:

- Name
- Email address
- Phone number
- Institution/college name
- Team details and team members
- Academic information provided during registration
- Payment and transaction-related information
- Event submissions and results
- Attendance and participation information
- Any other information voluntarily provided through the registration form or during the event

We collect only information reasonably required for registration, communication, event administration, evaluation, and related activities.

2. How We Use Your Information

The information collected may be used to:

- Process and manage registrations.
- Communicate important event-related information.
- Verify participant and team details.
- Manage event participation and attendance.
- Process and verify applicable registration payments.
- Communicate schedules, announcements, submissions, results, and other updates.
- Conduct evaluation and maintain event records.
- Generate certificates and participation records.
- Improve the organization and administration of Sim2Real and future events.

3. Sharing of Information

Participant information may be shared with **ENGINEER'26, NITK Surathkal**, and its sponsors where applicable and as consented to during registration.

The information may also be shared with event organizers, judges, mentors, volunteers, or service providers where reasonably necessary to conduct and administer the event.

We will not sell participant information to third parties.

4. Event Results and Public Information

Information such as:

- Participant/team names
- Institution names
- Event results
- Rankings
- Winning teams

may be published through official Sim2Real, RoboTech NITK, or ENGINEER'26 communication channels for event-related announcements and documentation.

5. Photography and Media

Photographs and videos may be captured during Sim2Real 2026 for event documentation, promotional activities, social media, websites, reports, and future event publicity.

By participating in the event, participants acknowledge that such event-related photographs or recordings may be used for these purposes, subject to applicable institutional policies.

6. Data Security

We take reasonable measures to protect participant information against unauthorized access, alteration, disclosure, or misuse.

However, no online system or method of data transmission can be guaranteed to be completely secure.

7. Data Retention

Participant information may be retained for as long as reasonably necessary for:

- Event administration
- Record keeping
- Certification
- Financial and institutional requirements
- Resolving disputes or queries
- Future event-related records, where applicable

8. Third-Party Services

The registration process may use third-party platforms or services for purposes such as registration, payment processing, communication, or event administration.

Such services may have their own privacy policies and terms. Participants are encouraged to review those policies where applicable.

9. Participant Responsibility

Participants are responsible for ensuring that the information they provide during registration is accurate and up to date.

Participants should not provide unnecessary personal information belonging to another individual without their permission.

10. Changes to This Privacy Policy

RoboTech NITK may update this Privacy Policy when necessary to reflect changes in the event, registration process, or applicable requirements.

Any significant updates will be communicated through the official Sim2Real website or other official communication channels.

11. Contact Us

For questions, concerns, or requests regarding this Privacy Policy or the handling of participant information, participants may contact:
