

SIM2REAL 2026 — TERMS & CONDITIONS

Organized by RoboTech NITK as part of ENGINEER'26, NITK Surathkal

By registering for **Sim2Real 2026**, participants agree to the following terms and conditions:

1. Eligibility & Registration

- Sim2Real 2026 is open to participants from all institutions.
- Each team must consist of **2–4 members**.
- Participants must provide accurate and complete information during registration.
- Registration must be completed through the official Sim2Real registration platform.
- The registration fee is **₹500 for non-NITK participants** and **free for NITK participants**.
- **On-spot registration is not allowed.**
- The organizers reserve the right to verify the information provided during registration.

2. Registration Fee & Refunds

- The applicable registration fee must be paid through the designated payment platform.
- **Registration fees are non-refundable.**
- In case of payment-related issues, participants must contact the organizers through the official communication channels.

3. Participation

- Participants must follow the official event schedule, rules, problem statements, submission guidelines, and instructions issued by the organizers.
- Teams are responsible for completing and submitting their work within the specified deadlines.

- Participants must ensure that all information submitted during registration and throughout the event is accurate.

4. Submissions & Evaluation

- All submissions must comply with the rules and requirements specified for the respective round.
- The organizers and judges reserve the right to evaluate submissions according to the published judging criteria.
- Any violation of the event rules may result in disqualification.

5. Changes to the Event

- The organizers reserve the right to make necessary changes to the event schedule, format, venue, or other arrangements.
- Any significant changes will be communicated through the official communication channels.
- The event is subject to the rules and procedures of **NITK Surathkal and ENGINEER'26**.

6. Personal Information

- Participants agree to the collection and use of information necessary for registration and event administration.
- Participant information may be shared with **ENGINEER'26 and its sponsors** as specified during registration.
- Participant data will be used for purposes related to conducting and administering the event.

7. Disqualification

The organizers reserve the right to disqualify a participant or team for:

- Providing false or misleading information.
- Violating event rules.
- Engaging in unfair practices.
- Violating the Code of Conduct.

- Failing to follow safety or institutional guidelines.

A disqualified participant/team will not be entitled to a refund.

8. Acceptance

By completing registration, participants confirm that they have read, understood, and agreed to these Terms & Conditions and the Sim2Real 2026 Code of Conduct.
